INTRODUCTION

This document contains a Request for Proposal (RFP) for providing food service management services for Miles Ahead Charter School. This RFP sets forth the terms and conditions applicable to the proposed procurement.

School Food Authorities (SFAs) are encouraged to use the sample FSMC (Food Service Management Company) RFP and Contract. For solicitation approval, an SFA must complete the required procurement procedures for participation in the reimbursement programs. SFAs not complying with required procurement procedures will not be approved for reimbursement of meals for USDA Child Nutrition programs.

REQUEST FOR PROPOSAL

A. Legal Notice

Notice is hereby given that ***Miles Ahead Charter School***, hereinafter referred to as the SFA, intends to examine alternatives to its present food service program. The offeror to this RFP will be referred to as the FSMC.

No intent should be construed from this legal notice that the SFA intends to enter into a contract with any party for alternative food service unless, in the sole opinion of the SFA, it is in the SFA's best interest to do so.

All costs involved in submitting a response to this Request for Proposal (RFP) shall be borne in full by the party incurring said cost. Offerors or their authorized representatives are expected to fully inform themselves as to the conditions, requirements, and specifications before submitting proposals; failure to do so will be at the offeror's own risk, and it cannot secure relief on plea of error. The SFA is not liable for any cost incurred by the offeror in submitting a proposal.

SFA reserves the right to accept any proposal which it determines most favorable to the interest of SFA and to reject any or all proposals or any portion of any proposal submitted which, in SFA's opinion, is not in the best interest of SFA.

Any contract that may arise from this RFP will be between the FSMC and the SFA and upon acceptance, this document shall constitute the Contract between the offeror and the school food authority. The Georgia Department of Education (GaDOE) is not and will not be a party to any contract between an SFA and a Food Service Management Company (FSMC). The SFA has full responsibility for ensuring that the terms of the Contract are fulfilled. However, GaDOE can deny payment to the SFA if the SFA fails to ensure that all parts of the Contract are followed.

Any changes to the terms or conditions of this Contract, which are required by Federal or State law or rule, or changes to Federal or State laws, rules, or citations are automatically incorporated herein, effective as of the date specified in such law, rule and/or USDA Memo.

In accordance with Federal law and U.S. Department of Education policy, SFAs and FSMCs are prohibited from discriminating on the basis of race, color, national origin, sex, age, or disability.

B. Procurement Method

Procurement Method will be the Competitive Sealed Proposals method (commonly known as a Request for Proposals or RFP). The Competitive Sealed Proposals method differs from the traditional sealed bid method in the following ways:

- Competitive sealed proposals allow discussions with competing offerors and adjustments to the initial proposal.
- Comparative judgmental evaluations may be made when selecting among acceptable proposals for award of the Contract.

All procurement transactions shall be conducted in a manner that provides maximum full and open competition consistent with applicable regulations: 7 CFR 210.16, 210.21, 250 Sub D, 7 CFR 200.318-326, Appendix II Part 200.

Procurement must be conducted so that there is no apparent or real conflict of interest.

C. Pre-Proposal Meeting

A meeting with interested offerors to review the specifications, to clarify any questions, a virtual walkthrough of the facilities with school officials will be on 09/21/23 at 1:00 **P.M.**

The following link is provided for the virtual walkthrough: <https://us02web.zoom.us/j/87284965702>

Attendance is **optional**. (Note: If SFA makes attendance by offerors mandatory, then SFA may not waive requirement).

Meeting will be documented with a sign in sheet. A summary of all information shared, questions asked, and answers will be provided as a numbered addendum(s) to this RFP to all interested parties. The addendum(s) must be signed by FSMCs and returned as part of the RFP/Contract.

No other documents submitted with the RFP and Contract will affect the Contract provisions, and there may be no modifications to the RFP and Contract language. If offeror modifies, revises, or changes the RFP and/or Contract in any manner, SFA may reject the offer as non-responsive.

Qualification data shall be submitted by each offeror along with the sealed Proposal. Failure to furnish such records and evidence, or the inclusion of any false or misleading information therein, shall be sufficient cause for rejection of the Proposal or termination of any subsequent Contract. As provided herein, under state law and, or regulations and the SFA's local policy, discussions may be conducted with responsible offerors who submit proposals determined to be considered for award selection. Discussions will be for the purpose of clarification, to assure full understanding of all terms and conditions of the response to this RFP and the Contract's requirements. In conducting these discussions, there shall be no disclosure of any information derived from proposals submitted by competing offerors.

If additional information is requested to adequately respond to this RFP, please contact **Tia Reynolds** in writing at tia.reynolds@milesaheadcharter.org. Any additional information provided to one offeror will be available to all.

D.1-Opening of Proposal:

Opening will be at **12:00 P.M.** on 10/19/2023 at <https://us02web.zoom.us/j/85318688931>. Proposals will not be accepted after the date and time as indicated in the RFP Timeline as the proposal due date. A State Agency (SA) representative shall accompany the opening of the proposals by means of virtual or in person avenues. No proposal may be altered, amended, or withdrawn after the specified time for opening proposals.

E. Proposal Award Criteria

Award will be made only to a qualified and responsible offeror whose Proposal is responsive to this solicitation. A responsible offeror is one whose financial, technical, and other resources indicate an ability to perform the services required. All proposals are to be safeguarded by the SFA. Proposals will be evaluated by an SFA committee based on the offer per meal/meal equivalent and the criteria, categories and assigned weights as stated below (to the extent applicable). Each SFA committee member will score the proposals independently before the committee identifies the most advantageous response. Committee members must consist of SFA employees familiar with the regulations and requirements of the child nutrition programs, parents, teachers and/or administrators. If a committee member is an agent for, employee of or in any manner associated with a FSMC, that FSMC may not participate in the RFP and subsequent contract. Once a potential awardee is selected, the SFA will notify the SA for approval before Contract is awarded.

The offerors will be notified after all responses have been scored as to the status of their proposals. No information is released until after the award is made.

Weighted Evaluation Criteria

The SFA must determine in advance of issuing the RFP what percentage each category below will be given when comparing proposals. SFA may amend, delete or add additional categories if needed with an overall 100 points total. However, SFA may not include a category of prior experience with an SFA as it would violate USDA's free and open competition regulation for procurement. A cut-off score must be pre-set by the SFA. Proposals that score under the cut-off score will not be considered for a contract and will be notified in writing. Only offerors that meet or exceed the cut-off score will enter into negotiations for a contract. The RFP must establish a level playing field for all offerors that submit proposals. Review the Criteria Award Table for the weighted percentages.

Criteria Award Table

35 points Cost & Financial Proposal (**must be the highest points**)

Such proposal is irrevocable for a period of ninety (90) days after the time for opening of proposal has passed. _____.
(FSMC must initial and date here to show agreement)

H. Final Contract

The complete Contract includes all documents included by the SFA in the RFP, and all documents submitted by the FSMC that have been mutually agreed upon in writing by both parties (i.e., worksheets, attachments, and operating cost sheets).

Paying the FSMC from School Nutrition Program funds is prohibited until the Contract is signed by the SFA, awarded vendor, and approved in writing by the State Agency (SA). Also, any renewals, amendments or addendums to the Contract must receive SA written approval before executing these modifications. 2 CFR 200.324(a) states that the SFA must perform a cost or price analysis in connection with every procurement action in excess of the Simplified Acquisition Threshold (small purchases) including *contract modifications*. The method and degree of analysis is dependent on the facts surrounding the particular procurement situation, but as a starting point, the SFA must make independent estimates before receiving any modifications. After written approval is received all signed renewals, amendments and addendums will be sent to the SA and maintained on file by the SFA and FSMC.

Approved and signed contract by both parties will be sent to the SA and posted in SNO (School Nutrition Online).

The FSMC must adhere to the cycle for the first 21 days of meal service. Source of cycle menu must be noted on the RFP cycle menu. 7 CFR 210.16(b)(1).
3. FSMC shall serve meals that follow the 21-day menu cycles that meet the food specifications contained in Food Specifications, which is attached to this Contract as Exhibit E and fully incorporated herein, and that meet School Nutrition Program requirements. Additionally, SFA and FSMC shall agree to detailed Meal Specifications for each meal included in the 21-day cycle menus in Program Cycle Menus, which are attached to this Contract as Exhibit B and fully incorporated herein. At a minimum, such Meal Specifications shall include: (i) a recipe for each menu item that includes the total yield, portion size, ingredients and all USDA-required nutrient information; (ii) the identity of all branded or equivalent items that may be used in the meal; and (iii) whenever possible, the grade, style and condition of each food item and other information that indicates the acceptable level of quality for each food item. FSMC shall provide a detailed recipe for each Meal Specification identified in the NSLP menu cycle. A hard copy of these recipes shall be kept on file with SFA.
4. FSMC must follow: (i) the 21-day menu cycle and Meal Specifications developed by SFA for the NSLP; (ii) the 21-day menu cycle and Meal Specifications developed by SFA for the SBP; (iii) the 21-day menu cycle and Meal Specifications developed by SFA for the After School Snack Program; and (iv) the 21-day menu cycle and Meal Specifications developed by SFA for the Summer Program. 21 day menu cycle, can be furnished by the FSMC as part of this proposal, if approved by the SFA and menu meets all state and federal requirements.

FSMC shall provide a detailed recipe for each Meal Specification identified in the a la Carte menu cycle. A hard copy of these recipes shall be kept on file with SFA.
6. FSMC may not change or vary the menus after the first menu cycle for the NSLP, SBP, ASCP, Summer Program or the a la carte items without written approval of SFA. SFA shall approve the

(Reference 7 CFR §210.16 (b)(1) and 7 CFR §210.10) Any changes or variances requested by FSMC for substitutions to SFA menu of lower quality food items shall be justified and documented in writing by FSMC and approved by the SFA. FSMC must maintain documentation for substitutions and justification of lower quality food items for the records retention period that is applicable to food production records and shall make such documentation available to SFA, GaDOE and USDA for review upon request. (7 CFR 210.16(c) (1) and 7 CFR §210.23)

7. FSMC must submit a FFVP (Fresh Fruits and Vegetable Program) cycle menu, if applicable based on the information contained in the 2004 Resource, *Fruits and Vegetables Galore: Helping Kids Eat More*, available from the FNS website, and as described in current guidance from USDA and GaDOE.

D. Purchases

1. Whether SFA conducts its own procurement or whether FSMC procures products on behalf of SFA, FSMC may not require any additional liability coverage, regardless of dollar value, beyond that which SFA would require under procurements not involving FSMC.
2. FSMC shall document and track all FFVP expenses separately and make this documentation easily accessible for SFA or GaDOE review. Cost should be broken into two categories, operational cost and administrative cost.
 - a. Operational cost should cover the primary cost to run the FFVP to include purchase of fruits and vegetables, including the cost of pre-cut produce and delivery of charges; non-food items or supplies that are used in serving and cleaning; and salaries and fringe benefits for employees engaged in preparing and distributing fresh fruits and vegetables, and in maintaining a sanitary environment.
 - b. Administrative costs are used principally to support planning and managing the program. Administrative costs cannot exceed ten (10%) percent of SFA's FFVP costs. SFA is required to strictly scrutinize all requests for reimbursement of FFVP costs, to ensure that those costs are: (i) allowable; (ii) actual costs; (iii) fully documented; (iv) utilized to purchase fresh fruits and vegetables in accordance with applicable law and regulations; and (v) do not request reimbursement for more than 10% for administrative costs. GaDOE will monitor SFA and FSMC to ensure strict compliance with this provision.
3. SFA must check one of the purchasing options stated herein below:
(Note: SFA may not change the purchasing option once it has issued its RFP. Any change would be considered material and require SFA to either begin its procurement process again so that all offerors have the same opportunity or require SFA to pay FSMC using funds other than School Nutrition funds.):
 - a. SFA will do all purchasing for School Nutrition Program (SNP).
 - b. Except for Section P, Optional Requirements, Paragraph 2, SFA will do all purchasing for SNP.

- c. For Fixed-Price Per Meal Contracts: FSMC will buy the beginning inventory, exclusive of commodities, from SFA.
4. SFA and FSMC acknowledge that, to the extent required by 7 CFR § 210.21 (d) and 2 CFR Part 200.322, SFA must to the maximum extent practicable purchase only domestic foods and food products that are processed in the United States using over 51% domestic foods. FSMC must document, and SFA approve, the use of non-domestic food when competition reveals the cost of domestic food is significantly higher than non-domestic food and/or when food is not produced or manufactured in sufficient quantities domestically to be available in satisfactory quantities.
5. SFA and FSMC acknowledge that to the extent required by Georgia Education Code § 44.042(a), unless preempted by federal law or regulations, SFA or FSMC, if box c or d has been checked in paragraph 3 herein above, will use best efforts to purchase agricultural products produced, processed or grown in Georgia if the cost and quality are equal. The availability of Georgia products is expected by SFA. The Farm to School relationship should be enhanced, encouraged, and supported by any vendor supplying goods to SFA. Therefore, SFA will always give preference to items that can be delivered within 24 hours of harvest or production. It is encouraged that the FSMC submit a list of locally grown, processed, and manufactured items available through them for consideration on a regular basis. The products must be labeled, and a good faith effort put forward by FSMC to purchase local first when available. In keeping with our mission of establishing relationships, we advocate for a fair price be paid to farmers to help make this important segment of our business sustainable. The evaluation and scoring of how these preferences will be calculated will be outlined in the proposal award criteria table.

E. USDA Foods

SFA shall:

1. retain title to all USDA Foods.
2. ensure that FSMC has credited the SFA for the value of all USDA Foods received for use in SFA's meal service in the school year. 7 CFR § 250.51(a) USDA Department of Defense (DoD) fresh fruit and vegetable program is considered USDA foods.
3. maintain responsibility for procuring processing agreements, private storage facilities, or any aspect of financial management relating to USDA Foods. 7 CFR 250.15

6. shall credit SFA for the value of all USDA foods received for the use in SFA's meal service in the school year, including both entitlement and bonus foods, and including the value of USDA foods contained in processed end products. The manner in which FSMC shall account for the value of USDA foods is as follows: (7 CFR § 250.51)

 Fixed-meal rate: FSMC must subtract from SFA's monthly bill/invoice the market value of all USDA foods received for use in SFA's food service. The market value is based on the allocated value provided to SFA through GaDOE's food distribution program, and/or through the current data entry location, WBSCM (Web Based Supply Chain Management) at the time the USDA Foods are received by the SFA.

FSMC will maintain accurate and complete records with respect to the receipt; use/disposition, storage, and inventory of USDA foods and ensure that its system of inventory management will not result in SFA being charged for USDA foods. Failure by FSMC to maintain the required records under this Contract shall be considered prima facie evidence of improper distribution or loss of USDA foods. At the discretion of the SFA, a monthly inventory report or velocity report may be required to show the usage of the USDA Foods.

8. shall allow SFA and/or any state or federal representative or auditor, including the Comptroller General and USDA, or their duly authorized representatives, to perform onsite reviews of FSMC's food service operation, including the review of records, to ensure compliance with requirements for the management and use of USDA foods. (7 CFR § 250.53(a) (10))
9. shall maintain records to document its compliance with requirements relating to USDA foods in accordance with 7 CFR § 250.54(b). (7 CFR § 250.53(a) (11))
10. acknowledges that renewal of this Contract is contingent upon the fulfillment of all contract provisions herein relating to USDA foods. (7 CFR § 250.53(a) (12))
11. acknowledges that in a Fixed-meal rate contract, the proposed rate per meal must be calculated as if no USDA foods were available.
12. is prohibited from cashing out USDA Foods and providing a credit to the SFA for USDA Foods (7CFR 250.13)
